The Greeley Transitional House has been providing emergency shelter and extensive supportive services to homeless families since 1985. We are a critical safety net for families who have become homeless due to such problems as unemployment, domestic violence, health problems, and underemployment. We provide up to 60 days of temporary residential shelter and devote extensive resources to case management, life skills classes, linkages to resources in the community, and assistance in securing housing and employment. Our ultimate goal is to assist families in becoming employed, finding housing, and rebuilding their self-sufficiency.

By becoming a sustaining "**Friends of GTH Member**" your gift will help us continue to provide these critical services in the community.

How does it work?

A monthly donation in the amount you designate (suggested minimum donation of \$10.00/month) will automatically be debited from your checking or savings account or billed to your credit card on the 1st business day of each month.

How it benefits GTH—

- Provides GTH with a stable source of income to support our programs benefiting homeless families.
- Eliminates the cost of printing and mailing renewal letters & requests
- Saves GTH time—providing us with more time for direct services to our families
- Helps GTH go green—reduces printing and mailing
